Cascade 2024

Why Cascade?

Nestled at the entrance of Jezzine, a waterfall has long stood as a symbol of vitality and natural beauty. It's a reminder of the energy that flows through the town and its people. When choosing a name for our entry-level wine, a blend of Syrah, Cinsaut, Grenache & Carignan, we turned to this iconic landmark. "Cascade" is a tribute to Jezzine's soul—unpretentious yet captivating, a wine meant to be enjoyed in life's simplest and most joyful moments. – Captain Habib Karam

Winemaking & Tasting Notes

Our aim is to produce a red wine that would be enjoyed within a year of its birth, while also having serious potential for ageing. This wine can be enjoyed in winter at room temperature or chilled during summertime. The varietals grown at high altitudes are handpicked and vinified using special techniques, culminating in a fresh, fruity, supple wine with soft tannins.
